

The Headmaster and a teacher of Tiplyang school receiving school supplies.

In a year where teaching was disrupted by covid it was not possible to arrange planned medical visits and teacher training. However teachers' salaries, school supplies and meals were funded.

We are indebted to the ongoing hard work and dedication of our representative in Nepal, Mrs Jyoti Gurung. She herself says: *'It has been an honour and immense pleasure to be the country representative for the past decade. This enabled me to be very close to the students, teachers and villagers. My heart will remain close to them.'* Jyoti Gurung

And now we welcome Major (Retired) Lalitbahadur Gurung into the Hands Together Tiplyang Project.

### Responding to villagers' requests, we aim to fund in 2021:

- Teachers' salaries and training and school supplies
- School meals in Tiplyang, Dosalle and Banduk
- Renovations to a 6-classroom block in Ghandruk

## Thank you for making this possible

## Annual Report - 2020

Hands Together Tiplyang Project was established in memory of Michael Allmand VC, Major James Lumley and Tul Bahadur Pun VC to support the education, healthcare and development of Tiplyang and neighbouring districts in Nepal.

*"The Education Department of Nepal is unable to provide the required number of teachers and the parents are financially unable to contribute to hire teachers privately. Hands Together has come to rescue us from this dilemma. We are most grateful for this kind and generous gesture."*
